

Boots 'n' Buckles Playlist
Christmas Dinner Dance, Dec 16, 2011

Denny and I were the D.J.'s at the Boots N Buckles dance last night in Newark, CA. There were 110 people in attendance! Great turnout and a lot of energy on the dance floor. This was BnB's annual Christmas Dinner and Dance AND, most importantly, Instructor Appreciation Night for Diana Ward! Below are the dances played. Keep in mind that on a night like this one with a lot of people, there were many, many, many requests for dances to be played (more than could ever be played in 3 hours!), so even some popular ones were not played due to the volume of requests.
